#### J. A. MINTON AT SOUTH M. E. CHURCH

Dr. J. A. Minton of Oklahoma, one of the leading evangelists of the Christian Church, will begin a series of protracted services at the South Methodist Church, Sunday, November 10th, at 11:00 a. m. and 7:30 p. m. Services every night through the following week. Attend these meetings; you can not spend an hour anywhere else in town that would be any more interesting and beneficial to you than to hear Dr. Minton discuss the great subjects of the Bible.

Miss Marguerite Cooper, who has been in the employ of the Rock Island Eating House here for the past year, will, on November 28, be united in marriage to Mr. Clarence La Frant of El Paso, Texas. The wedding will take place at the home of the groom's parents in El Paso, after which the couple will depart immediately for the City of Mexico, where they will spend several days sight-seeing.

Mr. La Frant is an engineer on the Southwestern, and we are informed is the owner of several choice business and residence lots in El Paso at which place they will make their home.

H. K. Grubbs and wife of Tucumcari spent Wednesday and Thursday here. Mr. Grubbs looked at several lots available for business and bought two. He has gone back to Tucumcari but will return the first of November and go into business. —Cimarron News-Press.

#### Beware of the Gloomy Mood.

Never permit yourself to make any decision of importance while you are in a state of depression. Never commit the error of taking a serious step while you are measuring life by standards set up in the darkness of an unhappy mood. Such standards are never true, never just. The estimates you make of yourself, of others and of the world while you are blinded by despondency, is a false estimate always. The shapes you see are distorted shapes. Your vision is at fault. The only time you are capable of true judgment is when your sight becomes clear enough for you to really see that life is worth living and 'all's right with the world.'—Memphis Commercial Appeal
